

5 TRIBE SERVICES

BUILDING A FUTURE READY WORKFORCE

OUR FOCUS: We infuse workforce development through career-connected learning integrated into everyday learner experiences. This equips youth with an entrepreneurial mindset, soft and hard skills and exposure to the local entrepreneurial ecosystem. This prepares them for success as they pursue diverse career pathways and join various workplace environments.

OUR SERVICES: THE 5 TRIBE SCHOOL-BASED ENTERPRISE MODEL

SCHOOL SUPPORT

We partner with schools to align our program with their workforce development goals.

5 Tribe works with schools to:

- Identify specific classes to integrate curriculum
- Align partnership to a school-based workforce development goal or priority
- Provide training to teachers on vending operations as part of a School-based Enterprise Model

IN-SCHOOL LESSONS

We bring engaging, standards-aligned lessons that connect classroom content to real-world careers.

5 Tribe engages students in:

- Monthly school-based lessons
- Career exploration and inventory activities
- Quarterly field trips or guest entrepreneur experiences

LEARNING ACTIVATED

We turn vending machines into hands-on learning labs for real-world skill building.

5 Tribe offers students:

- Practice building soft & hard skills for workplace application
- On-the-job training with vending machines
- Exposure to programming and mentorship

LEARNING EXPANDED

We broaden horizons through entrepreneurship experiences and career-connected opportunities.

5 Tribe provides:

- Career-connected simulations
- Trailblazers Academy: Youth Entrepreneurship Summit
- Familypreneur Academy
